

## **PARTICIPATING IN WOODSIDE'S 2024 ANNUAL GENERAL MEETING**

### **Shareholder registration process for entry to AGM**

#### *ID requirements*

We will only admit shareholders and/or proxyholders to the Meeting who present a form of ID (e.g. driver's licence, passport etc.) at the registration desk. If you do not have a form of ID available on the day, we will also accept the SRN/HIN associated with your shareholding.

If you are unable to locate your SRN/HIN, please contact Computershare, or your Sponsoring Sharebroker for CHESS participants for assistance. Your SRN/HIN may only be provided by post for security reasons. Please keep your SRN/HIN confidential.

#### *Security measures*

Security measures will be in place to ensure your safety, including bag checks and wandings.

All bags will be subject to a security search and bags larger than A4 or inappropriate items will be required to be stored in the cloakroom. Security wandings will also be used on the day.

Please allow time to complete registration and security checks.

As this event will be held at Crown Perth those attending in person will need to comply with Crown's terms and conditions of entry.

### **Guest registration process for entry to AGM**

Non-shareholders (who are not proxies, corporate representatives or attorneys) who wish to attend the Annual General Meeting are required to register by 5.00pm (AWST) on Monday, 22 April 2024 by emailing their details to [secretariat@woodside.com](mailto:secretariat@woodside.com). Woodside retains its discretion to decline entry to visitors for safety or other reasons.

### **Shareholder registration process for entry online**

Anyone can watch the AGM online. You can access the online portal via <https://web.lumiconnect.com/343770972>.

Refer to the Notice of Meeting or Online Meeting Guide for instructions on how to attend, vote and submit questions online.

### **Shareholder Questions prior to AGM**

We encourage shareholders to lodge questions in advance of the meeting by emailing questions to [secretariat@woodside.com](mailto:secretariat@woodside.com) by 5.00pm (AWST) on Wednesday, 17 April 2024.

The Chair will endeavour to address the frequently asked questions during the meeting and in the Chair's address. Please note that individual responses will not be sent to shareholders.

### **Shareholder Questions during the AGM**

Shareholders can also ask questions in person at the AGM.

Please note that the process for asking questions during the AGM has changed this year. Shareholders will need to register their question with staff at the question registration desk. Instructions will be provided to shareholders on the day.

If there is insufficient time to respond to all questions during the AGM a number of similar questions may be grouped together.
