WOODSIDE TO HOST 2026 CAPITAL MARKETS DAYS IN SYDNEY AND NEW YORK

Woodside Energy Group Ltd will host its 2026 Capital Markets Days in Sydney, Australia, on Thursday, 5 November, and New York, United States, on Thursday, 12 November 2026. Both events will be webcast live.

Chief Executive Officer and Managing Director Liz Westcott and Woodside's leadership team will outline the company's strategy to build on its global LNG-led portfolio, deliver major growth projects and drive stronger cash generation and shareholder returns through disciplined execution and capital allocation.

Sydney Capital Markets Day – Thursday, 5 November 2026
The Sydney event will commence at 10:00 am AEDT/7:00 am AWST.

Live webcast: https://meetings.lumiconnect.com/300-191-159-742.

New York Capital Markets Day – Thursday, 12 November 2026
The New York event will commence at 1:00 pm EST/6:00 pm GMT, providing an opportunity for further engagement with US and international investors following the Sydney presentation.

Live webcast: https://meetings.lumiconnect.com/300-755-788-108.

As part of its US investor program, the CEO and members of the leadership team are also scheduled to ring the closing bell at the New York Stock Exchange on Wednesday, 11 November 2026.

Presentation materials will be available on the investor page of Woodside's website at www.woodside.com/investors on 5 November 2026 (AEDT).
