

COVID-19 COMMUNITY FUND GUIDANCE

We recognise that our communities are facing tough times in response to COVID-19.

To support the needs of community organisations, we have established the AU\$10 million Woodside COVID-19 Community Fund to provide direct support to the communities where we are active.

We are seeking applications from not-for-profit organisations to address critical needs in the Western Australian communities where we are active including Karratha, Roebourne, Exmouth, Broome Dampier Peninsula, and Perth.

Woodside has a long history of partnering with community organisations and our initial funding will go to those that need immediate support.

We will continue to work actively with community stakeholders, local authorities, government and industry bodies to identify emerging and localised needs.

What we fund

We are looking to provide funding for initiatives that address a critical need in the response to COVID-19.

Our focus is on the humanitarian needs of host communities at a grassroots level with a focus on food security, emergency accommodation and health provision..

We will not-for-profit organisations in the West Australian communities where we live and work, namely Karratha, Roebourne, Exmouth, Broome, Dampier Peninsula and Perth.

How to apply

Your application can be made online through the Woodside COVID-19 Community Fund portal.

Applications close on 30 June 2020.

KEY QUESTIONS AND ANSWERS

1) What are Woodside's key focus communities?

We will consider initiatives that support communities hosting our operations or business interests in Western Australia. These include Karratha, Roebourne, Exmouth, Broome and the Dampier Peninsula.

2) What does Woodside look for in assessing applications?

We seek initiatives that support the immediate humanitarian and health needs of Woodside's host communities at a grassroots level.

There are a number of general factors that we take into consideration when assessing funding requests. Some of these include:

- + Is the initiative addressing an identified critical community need?
- + Will the initiative deliver benefit directly to those who need it?
- + Does the organisation have the capability to deliver the initiative?

3) What will the fund not support?

We will not fund any initiatives that conflict with our code of conduct or our regulatory, licensing or any other statutory commitment. It is important to note that we do not provide funding for:

- + Political donations
- + Requests from individuals
- + Commercial requests including funding for private or public companies
- + Membership of organisations
- + Marketing and branding opportunities
- + Travel
- + Religious activities
- + Indirect fundraising activities, for example advertising
- + Activities requiring ongoing operating funds or which create financial dependency on Woodside

4) What will I need to provide to Woodside in reporting against my funding?

Successful applicants will enter into an agreement that will outline the obligations and acquittal process. You may need to provide a short report, including evidence of expenditure and photos once the initiative is complete.

5) I am currently employed by Woodside or a joint venture participant; will this affect my application?

Being an employee of Woodside, joint venture participant, or a contractor to either organisation/s will not necessarily hinder your application. However, you should be prepared to disclose all relevant information on your position or level of participation with relevant organisation or initiative.

6) I am having difficulty accessing the Community Fund portal, where do I go for help?

If you are unable to access the online portal please send your enquiry by email to communities@woodside.com.au
