- 1.1 In consideration of payment of the Price by the Company, the Contractor must supply the Goods and/or provide the Services to the Company in accordance with, and as specified in, this Purchase Order (which includes these Purchase Order Terms and Conditions).
- 1.2 To the extent permitted by Law and to the extent the Contractor's terms and conditions or other additional terms are supplied to the Company in respect of the Goods or Services (including as printed on consignment notes or other documents), those terms and conditions will be of no legal effect and will not constitute part of this Purchase Order (even if any representative of the Company signs those terms and conditions or annexes the terms and conditions to this Purchase Order).
- 1.3 Where this Purchase Order relates to Goods and/or Services the subject of a contract between the Contractor and the Company, the terms of that contract apply to the extent of any inconsistency with these Purchase Order Terms and Conditions.
- 1.4 The Contractor agrees this Purchase Order does not prevent the Company from entering into arrangements or agreements with third parties for the purchase of any services similar to the Goods or Services.
- 1.5 The Contractor and the Company acknowledge that the health and safety of all persons affected by the performance of the Purchase Order is at all times the paramount consideration in the undertaking and completion of the Services or supply of the Goods.
- 1.6 The Contractor must, in supplying the Goods or performing the Services:
- (a) not interfere with the Company's activities or the activities of any other person at the Delivery Point or the Site;
 - (b) be aware of and comply with, and ensure that the Contractor Personnel are aware of and comply with:
 - (i) all applicable Laws;
 - (ii) all Site Standards and Procedures, to the extent that these documents are applicable to the supply of the Goods or the performance of the Services by the Contractor; and
 - (iii) all lawful directions and orders given by the Company's representative or any person authorised by Law or the Site Standards and Procedures to give directions to the Contractor;

2.1 The Contractor must:

- (a) deliver the Goods (and copies of all relevant instruction manuals relating to the Goods) to the Delivery Point by the Delivery Date;
- (b) ensure that the Goods are suitably packed to avoid damage in transit or in storage and in such a way to comply with any applicable Laws;
- (c) provide the Company with 48 hours prior notice of the time the Goods will be delivered to the Delivery Point; and
- (d) mark each package with the Purchase Order number, item number, Delivery Point, contents, quantity, date and method of dispatch and weight of each package.

2.2 The Contractor must commence performance of the Services on the date of this Purchase Order and perform the Services by the date specified in the Purchase Order.

2.3 Company may elect to suspend part or all of the Services temporarily, using reasonable discretion and good faith in exercising its right to suspend. During such suspension, Contractor shall be paid at zero dollars (\$0.00), unless Company and Contractor agree in writing otherwise. Upon expiration of the suspension period, agreed rates shall resume. Should Company request Contractor's Services during such period of suspension, Company must provide Contractor advance written notice of at least forty-eight (48) hours in order for Contractor to mobilize. Contractor's Services performed during this suspension period shall be paid on an hourly rate. Contractor acknowledges that under this provision Company may, at its option, return any applicable equipment to Contractor when Company no longer requires such Services. Contractor will endeavor to ensure that any applicable equipment is available at such time as Company elects to end any period of suspension.

2.4 The Contractor acknowledges and agrees that time is of the essence for the delivery of the Goods and the performance of the Services.

3. TITLE AND RISK

3.1 Title to the Goods will pass from the Contractor to the Company on the earlier of delivery to the Delivery Point or when the Company pays for those Goods.

3.2 The Company bears all risk in the Goods when the Company takes delivery of those Goods at the Delivery Point, provided however that the Contractor will be responsible for its acts and omissions.

3.3 The Contractor warrants that the Company will be entitled to free and clear legal and beneficial title to and free and quiet possession of the Goods at the time title passes in accordance with clause 3.1.

4. PRICE

4.1 In consideration of the due and proper performance of this Purchase Order by the Contractor, the Company will pay to the Contractor the Price.

- 4.2 Unless this Purchase Order expressly provides otherwise, the Price is:
- (a) inclusive of all charges including insurance, premiums and costs, leave entitlements, freight, packaging, packing and delivery costs and Taxes;
 - (b) inclusive of the cost of any miscellaneous services of a kind which are commonly provided with the supply of goods of the same or a similar nature to the Goods and any miscellaneous items of a kind which are commonly used or supplied in conjunction with goods of the same or a similar nature to the Goods; and
 - (c) not subject to rise and fall, escalation or review.

5. INVOICING AND PAYMENT

5.1 On delivery of the Goods and/or completion of the Services, the Contractor must provide to the Company:

- (a) where the Parties have agreed to recipient created tax invoices, a Contractor Reference Document; or
- (b) if the Company directs, an Invoice which meets all the requirements of a valid invoice for Consumption Tax purposes in a relevant jurisdiction,

which must comply with clause 5.2.

5.2 A Contractor Reference Document or any Invoice provided by the Contractor must:

- (a) be provided using an electronic invoicing system if the Company directs;
- (b) refer to the Purchase Order including the line item numbers on the Purchase Order and the Purchase Order number (if any);
- (c) include a detailed description of the delivered Goods or Services completed, including the date of delivery in respect of which the Contractor Reference Document or Invoice relates and the relevant quantity;
- (d) include an individual reference number for the Company to quote with remittance of payment;
- (e) detail the Price relating to the relevant Goods and Services, broken down to reflect the same Price components on the relevant Purchase Order;
- (f) set out the amount of any applicable Consumption Tax;
- (g) state the Company operation and Site; and
- (h) state the Company contact name.

5.3 The provision of a Contractor Reference Document or Invoice that complies with the requirements of clause 5.2 is a precondition to the Contractor's right to payment for the Goods or Services which are the subject of a Contractor Reference Document or Invoice.

5.4 If any Contractor Reference Document or Invoice does not contain the information required by clause 5.2 the Company may at its option complete any missing information or return it to the Contractor, in which case the Contractor must submit a replacement compliant Contractor Reference Document or compliant Invoice.

5.5 If the Company requests, the Contractor must provide the Company with all relevant records to calculate and verify the amount set out in any Contractor Reference Document or any Invoice.

- 5.6 Subject to clause 5.7 and clause 5.8, the Company must pay all Invoices in the payment run that occurs immediately following the expiry of 60 days after:
- (a) the date on which the relevant Invoice is generated (in the case of a recipient created tax invoice); or
 - (b) the date on which the relevant Invoice is received from the Contractor (in all other cases),
- except where the Company is required by Law to pay within a shorter time frame, in which case the Company must pay within that time frame.
- 5.7 If the Company disputes any Invoice or Contractor Reference Document:
- (a) to the extent permitted by Law, the Company may withhold payment of the disputed part of the relevant Invoice or Contractor Reference Document pending resolution of the dispute; and
 - (b) if the resolution of the dispute determines that the Company must pay an amount to the Contractor, the Company must pay that amount upon resolution of the dispute.
- 5.8 The Company may reduce any payment due to the Contractor under this Purchase Order by any amount which the Contractor must pay the Company, including costs, charges, damages and expenses and any debts owed by the Contractor to the Company in relation to or in connection with this Purchase Order or the Goods or Services. This does not limit the Company's right to recover those amounts in other ways.
- 5.9 Any money payable under this Purchase Order is to be paid by electronic funds transfer to the Contractor's nominated bank account or by such other means as the Parties agree.
- 5.10 A payment made pursuant to this Purchase Order will not be taken or construed as proof or admission that the Goods delivered or Services completed, or any part of the Goods delivered or Services completed, were to the satisfaction of the Company but will only be taken to be payment on account.

6. TAXES

- 6.1 The Contractor must pay all Taxes to the relevant Authority. If the Contractor pays any Taxes on behalf of the Company, the Contractor must provide the Company with documentary evidence of the payment of those Taxes.
- 6.2 Where the Company believes it is required by Law to withhold or deduct any Withholding Amount from any payment due to the Contractor, the Contractor:
- (a) authorises the Company to withhold or deduct the Withholding Amount; and
 - (b) acknowledges and agrees that when the Company pays the Withholding Amount to the relevant Authority, the Company is deemed to have paid an amount equal to the Withholding Amount to the Contractor,
- and when the Company withholds or deducts that amount from any payment due to the Contractor, the Company must give the Contractor written notice of the Withholding Amount.
- 6.3 Where a relevant Authority requires the Company to pay to it a Withholding Amount that exceeds the amount that was withheld or deducted under clause 6.2, the Company may provide the Contractor with proof from the relevant Authority that payment is required, request the Contractor to pay and the Contractor:
- (a) must pay the excess amount to the Company; and

- (b) acknowledges and agrees that when the Company pays the Withholding Amount referred to in clause 6.3(a) to the relevant Authority, the Company is deemed to have paid an amount equal to the Withholding Amount to the Contractor (for the avoidance of doubt without increasing the Price),

and when the Company withholds or deducts that amount from any payment due to the Contractor, the Company must give the Contractor written notice of the Withholding Amount.

6.4 If any Goods are to be imported into the Jurisdiction:

- (a) the Contractor must supply all documentation and do all that is reasonably necessary to assist the Company to obtain a tariff, customs, excise or importation concession, or any concession analogous thereto, in respect of those Goods; and
- (b) the Company will be entitled to the sole and full benefit of any tariff, customs, excise or importation concession, or any concession analogous thereto, granted in respect of those Goods.

6.5 All amounts referred to in this Purchase Order are exclusive of Consumption Tax.

6.6 The Consumption Tax treatment of the supply of Goods or Services under this Purchase Order will be determined pursuant to the Consumption Tax Laws applicable in the jurisdiction where a taxable transaction for Consumption Tax purposes occurs. If Consumption Tax is payable on any such amounts, the Company will pay to the Contractor an amount equal to the Consumption Tax at the rate applicable from time to time provided that such amount will only be required to be paid:

- (a) once the Contractor provides the Company with a valid Invoice (or if applicable, upon the creation of a valid recipient created tax invoice) for Consumption Tax (applicable in the jurisdiction) in relation to that amount; and
- (b) where the Company is entitled to claim a refund or credit for that amount under the applicable Consumption Tax Law.

6.7 In circumstances where an adjustment is required under the applicable Consumption Tax Law, the Party which issued the Invoice or the recipient created tax invoice (as the case may be) must promptly create an adjustment note for any overpayment or underpayment of Consumption Tax and, where applicable, the supplier must apply to the relevant Authority for a refund of any overpayment by the supplier of Consumption Tax. The supplier must refund to the recipient any such overpayment. The recipient must pay the supplier an amount equal to any underpayment of Consumption Tax.

6.8 If:

- (a) a payment to satisfy a claim under or in connection with this Purchase Order (for example, under an indemnity) gives rise to a liability to pay Consumption Tax then the payer must pay, and indemnify the payee on demand against, the amount of that Consumption Tax (subject to the issue of a valid tax invoice by the supplier to the recipient or creation of a valid recipient created tax invoice by the recipient, as the case

may be, or documentation analogous thereto required under the applicable Consumption Tax Law); and

- (b) a Party has such a claim for a cost or expense on which that Party must pay or has paid an amount on account of Consumption Tax, then the claim is for the cost inclusive of Consumption Tax (except any Consumption Tax for which that Party, or its representative member if the Party is a member of a Consumption Tax group, can claim a refund or credit).

7.1 The Contractor must ensure that:

8. DEFECTS

8.1 The Contractor must promptly rectify all Defects in the Goods or Services at its cost until the end of the Defects Correction Period.

8.2 If, at any time prior to the expiry of the Defects Correction Period, the Company finds any Defect in the Goods or Services, the Company may give the Contractor written notice of the Defect and require the Contractor to rectify the Defect within a reasonable period stated in the notice. However, if, in the Company's view, the relevant Defect creates a circumstance or condition that

is unsafe and which requires prompt rectification, then the Company is not obliged to give the Contractor an opportunity to make good the Defect before the Company rectifies, or engages others to rectify, the Defect at the Contractor's risk, and all reasonable costs and expenses incurred by the Company will be a debt due and payable from the Contractor to the Company.
